

MSc in FINANCE
2 years, full time,
DOUBLE DEGREE PROGRAM
taught in ENGLISH

The **MSc in Finance**, organized by the **School of Finance and Accounting**, is intended for students who wish to **develop** their **international competences and know-how in finance**. The studies focus on **financial investments and modeling**, developing the students' understanding and knowledge of **global financial environments, financial management and innovation** as well as **international regulations**.

The primary task undertaken by the **MSc in Finance** is to prepare students so that they meet the challenges posed by their employment in companies that are compelled to carry out activities in a business environment increasingly internationalized, technological and competitive, by providing training and a relevant experience in the field and which are to be recognized both nationally and internationally. Therefore, the **MSc in Finance** aims to address the curricula not only in **theoretical terms**, but also to create multiple connections between **practice and research**.

Who can apply?

Graduates with a bachelor's degree can enroll, regardless of the graduated domain or specialization.

Admission procedures

The admission procedure will consider the grade given by the evaluation committee on applicant essay (50%) and the bachelor's exam grade (50%).
