

Adresa TA de poștă electronică @STUDENT.RAU.RO

- ✓ Adresa de poștă electronică @student.rau.ro este creată automat pentru dumneavoastră la 15 octombrie în fiecare an, pentru studenții (licență/master) înmatriculați în anul 1.
 - ✓ Înainte de semnul @ din cadrul adresei de poștă electronică există două cifre. Aceste cifre reprezintă ultimele două cifre ale anului calendaristic în care studentul/masterandul a fost înmatriculat în anul 1 de studii la programul de studii pe care îl urmează în acel moment.
 - ✓ Studenții și masteranzii de ani superiori anului 1 de studii au deja adresele create în anii precedenți.
 - ✓ Adresele de poștă electronică au lungimea maximă de 50 caractere; în cazul în care concatenarea numelui de familie, inițialelor, prenumelor, cifrelor și sufixului @student.rau.ro duce la o lungime mai mare, se renunță la ultimul (ultimele prenume).
 - ✓ Parola inițială a adreselor este CNP-ul, sau numărul de pașaport pentru studenții străini. În cazul în care numărul de pașaport (doar cifrele) este mai mic de nouă caractere, atunci parola inițială este creată prin adăugarea de cifre 0 la sfârșitul numărului de pașaport până la atingerea limitei minime de nouă caractere.
-
- ✓ Studenții care participă la programele de studii ale URA venind prin programul ErasmusPlus au adrese instituționale create sub forma eXX-nume.prenume@student.rau.ro. După litera "e" de la începutul adresei de poștă electronică există două cifre. Aceste cifre reprezintă ultimele două cifre ale anului calendaristic în care a început anul academic pe parcursul căruia studentul/masterandul a studiat la URA.
-
- ✓ Cursanții care participă la cursurile organizate sub egida Departamentului de Studii Asiatice al URA au adrese instituționale create sub forma dsa.num.prenumeXX@student.rau.ro. Înainte de semnul @ din cadrul adresei de poștă electronică există două cifre. Aceste cifre reprezintă ultimele două cifre ale anului calendaristic în care a început cursul urmat în cadrul DSA. Parolele acestor conturi vor fi trimise de către DSA automat, pe adresele de email folosite de cursanți pentru înregistrarea la cursuri.
-
- ✓ Cursanții care participă la cursurile organizate sub egida Departamentului de Formare Continuă al URA au adrese instituționale create sub forma dfc.num.prenumeXX@student.rau.ro. Înainte de semnul @ din cadrul adresei de poștă electronică există două cifre. Aceste cifre reprezintă ultimele două cifre ale anului calendaristic în care a început cursul urmat în cadrul DFC. Parolele acestor conturi vor fi trimise de către DFC automat, pe adresele de email folosite de cursanți pentru înregistrarea la cursuri.
-

YOUR own email address @STUDENT.RAU.RO

- ✓ Your [@student.rau.ro](mailto:student.rau.ro) email is automatically created for you after October 15th, each year, for the students enrolled in their 1st BA or MA academic year.
 - ✓ Before the @ sign, inside your email address there are two digits. These digits represent the last two digits of the calendar year in which the student has been enrolled in the first academic year of his present study program.
 - ✓ BA and MA students in other academic years than the 1st already have their addresses enabled from the previous years.
 - ✓ The email addresses have a maximum length of 50 characters; in case that the concatenation of the family name, initials, first names, digits and @student.rau.ro ending results in a string that is longer than the accepted length, the algorithm drops the last first name(s).
 - ✓ The initial password of the email address is the CNP (Personal Numerical Code) or the passport number (digits only) for the foreign students. In case that the passport number is shorter than 9 characters the password is created by adding 0 digits at the end of the passport number, up to the minimum required length of nine characters.
-
- ✓ Students which follow RAU study programs by being ErasmusPlus incoming students have institutional email addresses as eXX-name.firstnames@student.rau.ro. After the letter “e” at the beginning of the email address there are two digits. These digits represent the last two digits of the calendar year during which the academic year has started, for the RAU classes taken by the incoming BA/MA student.
-
- ✓ Participants to courses organized under the supervision of the RAU’s Department of Asia Studies (DSA) have institutional email addresses as dsa.nume.prenumeXX@student.rau.ro. Before the @ sign, inside your email address, there are two digits. These digits represent the last two digits of the calendar year in which you started the course under DSA supervision. The passwords for these accounts will be automatically transmitted by DSA to the email addresses used for registration of the participants.
-
- ✓ Participants to courses organized under the supervision of the RAU’s Department of Continuous Learning (DFC) have institutional email addresses as dfc.nume.prenumeXX@student.rau.ro. Before the @ sign, inside your email address, there are two digits. These digits represent the last two digits of the calendar year in which you started the course under DFC supervision. The passwords for these accounts will be automatically transmitted by DFC to the email addresses used for registration of the participants.
