Master in BUSINESS MANAGEMENT IN TOURISM AND AVIATION

Domain: Business Administration

2 years, full time

Taught in ENGLISH

The Master Program in *Business Management in Tourism and Aviation* is innovative and analyses European and International trends, in order to insure transdisciplinarity between converging fields. The program has been planned and developed based on a partnership with the business environment, with the support of the organization *International Air Transport Association* and the companies *Regional Air Support*, *Romanian Airport Services* and *TravelMaker*. One of the precise aspects of the partnership refers to adding in the curriculum courses which will give students the possibility to obtain national and international recognized certificates: *Aviation Security Awareness*, *Airline Security* and *Travel & Tourism Consultant* (issued by International Air Transport Association). The curriculum, the content of the courses and the other didactic materials have been developed based on specific analysis and studies and in consultation with the Advisory Board. Another specificity of the program is the desideratum of each course having either a guest speaker from the business environment, or an international professor. The mission of the Master in *Business Management in Tourism and Aviation* is to ensure an educational academic process combining theoretical aspects, concepts and practical elements, in order to develop a business oriented critical thinking for the next specialists in the field of tourism and aviation.
