Volunteering

- Last year I took part in a volunteering session organized by the company that I work for, at SOS Satele Copiilor, where we cleaned up a children's park in their "village".
- In 2016 and 2017 I have been volunteering at the mountain bike event "Race for Autism" held by RAA association, being in the Logistics Team.
- I have participated in "Leaders of the 3rd Millenium" course, led in partnership with British Council where I have developed my Leadership and Public Speaking skills.
- In high school I have also been volunteer at a special school for children with disabilities in Breaza, Prahova.

About Me

Detail-oriented person with a proven track record of accurately and efficiently managing different financial processes.
