Moreover, in the period 2017-2022 the coordination of over 30 bachelor's and master's theses.

Consultancy activities, research activities, training activities for the private environment and financial activities

In particular, my work since 1996 has focused on the field of financial, economic, banking, commercial and legal advisory. I have been very active in providing financial advice (including advice on EU programmes, financing, pre-accession funds and post-accession funds), international trade, banking advice (documentation on obtaining loans), documentation on obtaining guarantees for the financing of funds (letters of guarantee, letters of confirmation of funds, letters of assurance), financial transactions, negotiation and advice for the preparation of commercial contracts, stock market advisory services and partner identification.

Consultancy activity

By setting up as founder of the Romanian Group for Investment and Advisory (IFN) S.A. I have undertaken and realized a new approach to consulting activities in Romania, namely the provision of "integrated turnkey solutions" based on the "success fee" policy, thus Since from 2001 to 2016 we have managed with the team of over 850 national and international experts whom we have coordinated to carry out projects at national and international level, all these projects being financed at, about 16,000 projects. Also as a policy that we created and managed, it was to make strategic events for the business environment in Romania and abroad, as an example mentioning the realization of the Italo-Romanian Forum in collaboration with the Italian Chamber of Commerce for Romania and hosted by the Chamber of Commerce of Romania, an event realized over 6 months, with 6 different themes, including rural development and agriculture, the Germano-Romanian Forum, events for the Greek business environment, the Hungarian-Romanian Forum, national delegations abroad and foreign delegations in Romania.

Portfolio of approximately 16,000 projects that the Romanian Investment and Consulting Group (RGIC) S.A. together with the advisory division, are part of the financing programs of the European Union and other financing institutions, respectively the World Bank programs both the rural finance project programs (Rural Finance Project), as well as the infrastructure programmes Sapard, the National Rural Development Programme (NRDP). So far, we have coordinated and realized as Project Coordinator over 6000 projects to facilitate loans and grants for both Romanian and foreign companies, as well as legal and financial advice for over 5,500 companies (SMEs and large companies).
