Romanian as a Foreign Language - Optional Romanian Course – 37
Guest Courses - 38

IMPORTANT NOTE

- Students are free to select courses from any year of study listed in the Course Catalogue, regardless of their current academic year, provided that the selected courses are approved by their Home University Academic Coordinator and are compatible with their study programme.
- Please make sure to select courses corresponding to your mobility period, as the courses offered may differ between the Autumn and Spring semesters.
- **Recommendation:** Bachelor students in their final year of study may also consider selecting courses from the Master's degree programmes, subject to prior approval from their Home University Academic Coordinator.
- Required number of courses**:** equivalent of ~ **30 ECTS** in one semester
- All selected courses must be included in the Learning Agreement for Studies, which must be completed and signed by the student and the Home University Academic Coordinator before the mobility begins.
- Course changes in the Learning Agreement and system will be possible at the beginning of each semester, provided no alternative solutions can be found.
- All the courses provided in this catalogue are taught in English.

ACADEMIC YEAR 2026-2027 STRUCTURE

- Please access the Academic Year 2026-2027 full detailed structure here.
- Courses are organised in two modules:

FIRST SEMESTER	SECOND SEMESTER
1st module	**1st module**
28.09.2026 – 15.11.2026	22.02.2027 - 11.04.2027
2nd module	**2nd module**
16.11.2026 – 23.01.2027	12.04.2027 - 06.06.2027

Exam session: 25.01.2027-12.02.2027 **First Semester** / 07.06.2027-25.06.2027 – **Second Semester**

BACHELOR PROGRAMS IN ENGLISH

- International Business
- Computer Science for Economics

INTERNATIONAL BUSINESS

- The **International Business** Bachelor Program offered by **the School of International Business** is a three-year program that prepares graduates for negotiating, contracting and carrying out international business.
- Throughout the program students will understand the role and interest of international public and private organizations in an international business environment. By the end of the study period, students will be capable to prepare and assist in the execution of international contracts and identify the appropriate steps, formalities and techniques used in contracting of international business, complying with domestic, European and International trade policies and regulations. Due to this approach, bachelors of these programs are qualified to successfully manage jobs with an international business outlook both in Romania and/or anywhere else in the world.

ROMANIAN AS A FOREIGN LANGUAGE
- OPTIONAL ROMANIAN COURSE

- This course offers incoming international students the opportunity to learn the basics of the Romanian language and develop essential communication skills for everyday situations during their stay in Romania.
- Schedule: Every Wednesday, starting at 10:00 AM.
- Format: Online, via Microsoft Teams.
- Module: 1+2
- Credits: 3 ECTS (optional).
- Students may choose between two participation options:

- With ECTS: Include the course in your Learning Agreement and obtain 3 ECTS upon successful completion.

- Without ECTS: Attend the course without including it in your Learning Agreement, as a voluntary learning opportunity.

Should you need the syllabus for this particular course, please contact us at incoming@rau.ro

GUEST COURSES

Each semester, Romanian-American University offers its students the opportunity to participate to extracurricular classes, taught by **prestigious professors from US, Europe and Asia partner universities**.

These courses usually last 1-2 weeks for a few hours every day. In the end students are awarded with the certificate of completion.

Online registration is mandatory for attending a course. Course registration is open only one week prior to the class start.

For more details, please check the courses web pages – guestcourses.rau.ro.
