NOTE:

In order to participate in the online counseling session, through the MS Teams@RAU platform, we ask you to abide by the exact following procedure:

- **The student must ask for a scheduled meeting through a message by institutional email** (an email from the student's **@student.rau.ro** institutional account to the **@profesor.rau.ro** institutional account of the teacher), mentioning a day and hour inside the published counseling schedule, **with at least 48 working hours before the desired scheduled time**.
- The teacher must send a *reply* message by email, regarding the **confirmation of the scheduled meeting, no later than the day before the scheduled meeting**.
- The video session, at the scheduled and agreed day/hour, is done by direct call between the two participants, from the Calls section inside the MS Teams application. The teacher will initiate the call to the student's institutional @student.rau.ro account.
