We recommend that the student contact the teaching staff to firmly establish an appointment for consultations, including face-to-face consultations. Otherwise, there is the possibility of unforeseen events, prior scheduling of other students at the same time, etc.

* For conducting consultation hours (face-to-face or online through the MS Teams@URA platform) the standard procedure is:

- **the student requests an appointment through the institutional e-mail** (a message from his @stud.rau.ro address to the @rau.ro address of the respective teaching staff), mentioning the date, the type of consultation (physical, online) and the time (within the consultation interval mentioned above), at least 48 working hours before the desired time for the appointment.
- **teaching staff must send a reply message by e-mail**, regarding the acceptance of the schedule or the proposal to reschedule, at the latest the day before the schedule initiated by the student.
