We recommend that the student contact the teacher to firmly set up an appointment for consultations, including face-to-face consultations. Otherwise, there is the possibility of unforeseen events, previous scheduling of other students at the same time, etc.

For conducting consultation hours (face-to-face or online via the MS Teams@URA platform) the standard procedure is:

- **the student requests an appointment via institutional email** (a message from his/her @stud.rau.ro address to the @rau.ro address of the respective teacher), mentioning the date, type of consultation (physical, online) and time (within the consultation interval mentioned above), at least 48 working hours before the desired time for the appointment.
- **the teacher must send a reply message via email**, regarding the acceptance of the appointment or the proposal for rescheduling, at the latest on the day preceding the appointment initiated by the student.
